Range Needs: Need a new dustpan at the range. One will be purchased. There is one in the conex but it is locked up. Discussion on whether someone would volunteer to be Range Custodian. Chad kinda volunteered. Would need to vote and then get him a key to the conex.

9 Members present. 173 current members of which 9 are Life Members.

Hat: there was no drawing for a hat at the meeting. It was agreed that to be fair there would be 2 hats given away at the next meeting. The 2nd hat would be given out to the members who are in attendance of the September meeting.
