Keys and membership cards are being mailed out to those who have applied at end of the month. Richard will drop off locks for re-keying to Locksmith.

Richard Cooper proposed changing Club By-Laws because of low member turnout for meetings. Currently need 2 Board members and 5 members to approve items that need Quorum at all regular club meetings. He wants to change it to 2 Board members and 3 members. Questions: What is the process? Notify state of changes? Addendum to current By-Laws? Laura Cooper will check with Club Attorney.

A proposed budget will be presented at next meeting. Dan Hamrick proposed that the club use the prison crew for more than 1 day for clean-up and also to repair/replace gate.

Discussion: Can club sponsor a concealed carry class? Jack Doolittle will check on what is required to bring a certified instructor to Lakeview for classes. Possibly Thunder Ranch or person out of Bly.
