Archway/Gate: Brad will purchase heavy wall drill stems for archway/gate. Members approved cost of ~\$400.00. For more info on technical plans talk to Brad.

Memorial Bench: Ed brought in more info on benches. Members approved purchase of 1 bench between \$500.00 and \$700.00.

High School Trap: No shooting on the 100 yard berm. Our insurance carrier said NO. Dave McCarty will bring in another proposal. There is interest in having shotgunning but there are limits on the size of this Range.

Age requirement: Question on age requirement for membership of 21 for handgun... Oregon law and federal law require this. Application will remain the same.

Lapel Pins: Laura could not find lapel pins for winners of shoots. There were medals that would cost about \$2.00 per medal. Suggested to check with CMP and NRA.

CMP Membership: Per our Bylaws we need to renew our membership with CMP. Cost is \$30.00 per year. Richard will complete application. Members can sign up to purchase M1 Garands and ammo (when available) from them using #066079.

Website: Still looking for someone. Tanya Winters may be able to do. Any member tech savvy?

Shoots: Ed Henry will be hosting a Ladies Pistol Shoot April 17th from 10am to 2pm. This will be a basic introduction to your firearm course, includes live fire. Volunteers needed.

Inventory: Ed completed an inventory of the conyx and the storage shed. We have plenty of bowling pins for future shoot. Running deer target not found. File cabinet will be positioned for ease of use.

Work Day: Scheduled for March 13 at 9am. Brad will bring his backhoe. Volunteers needed.

Archery: There is interest in having archery at the Range. Brad will look at place to set up, possibly between end of rifle line and conyx. Can set up hay bales or use portable stands.
