Old Business:

1. Jeff Marshall, Town of Lakeview, bladed snow off the road into the range.
2. Richard has placed a new lock onto the lower gate.
3. Brad asked Ed Henry to talk to the county road department about blading the road into the range.
4. No funds have been received, at this time, from the Lake County Sheriff's Office.
5. Brad Winters met with town manager, Michelle Perry, to discuss the agreement. The town is updating the lease agreement. Warner Mountain Gun Club will provide a yearly update on our activities and plans.
6. June 11 – 12 a group has requested to camp at the range for a motorcycle event. This is not a normal gun club activity. Brad Winters will present a letter to the town for their signature to approve this activity.
7. The agreement with the Probation Department will be \$150.00 per year, the same as the Lake County Sheriff's Office. Ed Henry will follow up with the probation department.
8. Brad had a good discussion with the town building official concerning the proposed pistol range addition. The building must be built to meet code requirements, rules, and laws.

The members in attendance had a discussion concerning plans, engineering, and design. The plans do need to have an "Oregon Engineered" stamp. It was agreed that the depth would be 10' and the width 24'. There will be three walls with one wall, toward the rifle range being a half wall, providing visual safety. There will be two windows in the back and one window on the north side. The height will be 8' at the back with a 4 and 12 pitch. The floor will be 4" concrete.

Brad and Ed will take these requirements, seeking a minimum of three bids, and will present their findings at the next meeting.

New Business:

1. Be thinking about when to have shooting events this year. The type of event and who will coordinate.
2. Richard will take care of resetting passwords with the bank.
3. Proposed projects are: more gravel, pistol range improvements, resetting and cementing in the steel frames, walking and repairing the fence, and normal maintenance.
4. Brad will talk to Kenny Weinbrenner at Parole and Probation about weed removal, as needed.
5. Contact needs to be made with Chris Wilson, for commercial herbicide treatment.

Hat Raffle: Hat #11 was won by Brad Winters.

The meeting adjourned at 1919.
