February 7, 2018 minutes approved

Verbal accounting given by Laura Cooper. Approved

#### Old Business:

Long range shoot: Per insurance...only members covered. President doesn't recommend because of personal liability. Attorney's findings to follow.

Hold Harmless release is needed for all shoots.

CC Instructors from John L: List given to Secretary. Questions: Since they are from CA are they qualified in OR?

Person at Bly Mountain Gun Shop is Certified Instructor. Will hold class with minimum 10 people/\$40.00 ea. Will come to Lakeview. Need appropriate place to hold class. Renewal of CC permit: check with Sheriff.

Range Repairs: scheduled for mid-April per President. Gate posts are 14 to 16 inches in ground...raise gate hinges? May need hoe with auger. This was mentioned to Contractor but he was not available. Contractor will give quote for pistol range cover. Years prior the cost was approximately \$4500.00. Plans still available with Anderson Engineering.

All shoots will be scheduled after range repairs are done.

#### New Business:

Lever Gun match in Keno on April 21.

Gun Show is April 14 and 15. Volunteers to work needed. (Dwayne Hafner)

Several members voiced preference to fill out application online and pay dues with PayPal. Questions: would it cut cost of mailing apps each year? Cost more with fees from PayPal? 1/3 of members are not on internet. Do both mail and website for 1<sup>st</sup> year concurrently? Legality of online signature? Logistics? Laura Cooper to do research.

Pistol Range: can we move berm back to 25/50 yards. Currently at 20 yards. Move firing line back also so it is even with rifle line and not in front of it.

Member count as of March 6, 2018: 151

Meeting adjourned.
