

Warner Mountain Gun Club

April 4, 2018

Members Present: Laura Cooper, Richard Cooper, John LeNeave, Bob Swart, Tom Rasmussen, Bill Gransee, Dan Hamrick, Margot Dodds, Shirley Boone, Jack Doolittle

March 7, 2018 Minutes approved

March 31, 2018 Treasurer's Report approved

Old Business:

Attorney on range shoot: Whoever signs permits for BLM or Forest Service could be liable, also all officers of Gun Club if sponsored by. Even if not liable could be tied up in courts for years. Our insurance coverage is also not enough to cover 'off property' events. Recommends Club not be involved.

Contractor on range repairs: will try to have fixed by end of April. Will notify members when range will be closed. Will also give bid for pistol range cover.

Gate post: encase in re-bar and concrete to hold/stabilize. Plumb posts. Put wheels on gate? John L. has cement mixer.

Norm May Estate closed. Old bank account closed and transferred to new account for range improvements and maintenance.

New Business:

Keno Shoot reminder: April 21. Lever Gun Match

Gun Show: Volunteers-Laura Cooper, Dwayne Hafner, Margot Dodds

By-laws to be amended to reflect Norm May's account for range improvements and maintenance. Laura will type up and present to members who must vote on at the following monthly meeting.

Pay-Pal: Laura will try to set-up this summer with help from Sarah Hollars. Attorney says having signature online for application/hold harmless is legal. May need to do mailing and online Pay-Pal for one to two years before members do online only. May still need to send to those members who don't have computer access. Put option on application form.

Rock for range: Richard to get rock. Use new maintenance fund.

Discussion: new laws designed to limit/control gun sales and ownership.
Confiscation, cost to re-register all firearms. Sold without lock could be held liable for 5 years. Members need to get informed, sign petitions and vote.

Members as of April 2, 2018: 167

Meeting adjourned
