Old Business:

Prison crew came out and did weed abatement at the Range.

We are still looking for someone with ATV and sprayer to do weeds in Spring. Possibly Steve Wilson out of Adel.

Lever Gun shoot in Keno went well. 5 of our members shot.

New Business:

**September 23, 24** Gun Show at Fairgrounds. Club will purchase 1 table.

**Early November:** silhouette shoot. Period correct, all iron sights, offhand. 2 stages-rifle and pistol. Schedule Turkey Shoot the same day?

**September 17**, Sunday. Free Sight-In Day. 9-2 Laura to do flyers similar to last years.

Richard Cooper made motion to buy shelving for container. On sale at Home Depot. Unanimous vote

Per Margot Dodds there is no word on stolen artwork. All artwork is now down from the range. Looking for permanent homes for the remaining art.

Richard Cooper proposed spending money for 10 steel target frames, to be used for shoots only. Tom Z can make them cheaper than we can buy them (Online price was \$59.00 each). Vote was unanimous.

Mike W. proposed spending money for rock to reinforce driveway and road to each yardage line. Approx 4 loads gravel, 3 loads road base. Needs about \$1,000.00 to \$1200.00. Laura to check and see if money spent now can be reimbursed through the 'Improvement Fund'. Unanimous vote to spend money.

Discussion on whether to do raffle for FNRA again. Not this year. Want to get varmint caliber and buy ourselves for better price. No response from Mike Carey. No volunteers, no committee= no banquet.
